Description

- **Application:** Component of the “Permashade” sun protection system
- **Material:** High-quality plastic for durable use
- **Angle:** 30°
- **Feature:** Maximum shading effect due to low tilt angle
- **Packaging Unit:** 200 pcs

Bracket plastic angle 30° Wall is tailored for vertical installations in the “Permashade” system. Its shallow 30° angle maximizes shading efficiency, making it ideal for high-performance applications. The durable plastic construction ensures longevity and ease of use.
