Description

- **Application:** Drive unit for 30 mm rack systems in greenhouse ventilation
- **Material:** Steel housing with centered bronze sintered bearing
- **Design:** Counter rollers for smooth and low-wear rack guidance
- **Compatibility:** For 30-3 racks and 34 mm steel drive tubes
- **Use case:** Suitable for systems under high mechanical load
- **Packaging unit:** 25 pieces
- **Ridder Article No.:** 500030

The **Pinion Housing TU11-30** is a robust drive unit for 30 mm rack systems in professional greenhouse ventilation. Its bronze sintered bearing and integrated counter rollers ensure long-lasting, low-friction operation even under heavy loads.
