Description

- **Application:** Screen guiding tube for suspended or lay-flat shading systems
- **Length:** 6.00 m
- **Diameter:** 19 mm
- **Material:** Lightweight aluminum
- **Packaging:** Loose (individual pieces)

The **Aluminum tube 19 mm – 6.00 m** is used as a screen guiding tube in greenhouse shading systems. Its lightweight construction makes it ideal for wide-span greenhouses and a practical alternative to traditional steel tubes.
