Description

- **Application:** Securing Air transfer gaskets with spiral hoses
- **Material:** Plastic
- **Size:** R60–65 / 13 mm wide
- **Color:** Black
- **Feature:** Corrosion-resistant and easy to install using pipe pliers
- **Packaging Unit:** 40 pcs

Hose clamp, plastic - R60–65 is a reliable plastic alternative to traditional metal clamps for **securing air transfer gaskets**. Its corrosion-resistant material enables **quick and gentle installation** with pipe pliers, reducing damage risk during assembly.

The proven plastic blend is **UV-stabilized**, making it an ideal choice for **greenhouse environments** exposed to sunlight and moisture. Its compact format ensures easy handling and durable functionality even in challenging conditions.
