Overview

Insect protection screen - no thrips 0,163 x 0,163 mm weight: 132 g/m

Product number: 05323220

Description

- **Application area:** Protective mesh for greenhouses, prevents entry of insects and small pests
- **Mesh size:** 0.163 × 0.163 mm
- **Material:** High-quality, fine-mesh fabric
- **Weight:** 132 g/m²
- **Width:** 200 cm
- **Installation:** Easy to cut and simple to attach
- **Special feature:** Extra fine mesh for effective thrips protection

The **insect mesh for thrips protection** is specifically designed to safeguard greenhouses. With its tight mesh size of **0.163 × 0.163 mm**, it effectively blocks thrips and other small pests while maintaining good airflow.

The fabric is easy to cut and install. For a clean edge, using a hot cutter is recommended to prevent fraying.

Note: The price refers to material costs only - additional charges may apply for custom fabrication.
