530

Description

- **Application:** Wide-format shading solution for outdoor structures
- **Width:** 530 cm
- **Length:** 200 m
- **Weight:** 130 g/m²
- **Shading Rate:** Approx.65%
- **Features:**
 - Integrated aluminum strips reflect sunlight and reduce heat buildup
 - Knitted open design promotes airflow and reduces temperature spikes

EcoScreen ES60 outdoor open - 530 cm provides reliable performance in larger outdoor installations. Designed to reduce direct light while allowing ventilation, it helps maintain a cooler microclimate beneath. With high durability and a balanced shade profile, it's well suited for greenhouse roofs, tunnels, or open-air shading systems.

Note: Material-only price. Cutting and finishing services available upon request.
