Coloretten 50 cm x 50 cm -Roll = 500 pcs = 250 m

Product number: 56500050

Description

Our Coloretten of tape fabric provide maximum and chemical-free protection from weeds! They are unbelievably easy to use:

Thanks to pre-perforated lines the Coloretten can be quickly cut on site.

The Coloretten are equipped with a Y-shaped incision. They can be put over the plants neck without further cutting or processing.

Both the perforation and the Y-incisions are cut hot. This prevents fraying of the ribbon.
