

Overview

ribbon 8 cm, roll of 150 m

Product number: 05701003

Description

Our strengthening ribbon is used to insert cords, belts, chains and so on into fabric screens .
The cord gets inserted directly into the pocket, being folded of the strengthening ribbon by means of an additional device installed on the sewing machine.
If you wish to have your sewing machine equipped with this device, we will be pleased to consult you.
