ribbon 8 cm, roll of 150 m

Product number: 05701003

Description

- Application area: Binding of cords, lead tapes, and similar products into fabric panels
- Material: High-quality binding tape for industrial applications
- Width: 8 cm
- Length: 150 m per roll
- Special feature: Enables direct binding of the cord during the sewing process

The binding tape, 8 cm wide, is used to integrate cords, lead tapes, and similar products into existing fabric panels. The cord is guided into the loop formed during sewing using a dedicated attachment on the sewing

If you would like to equip your industrial sewing machines accordingly, we are happy to offer advice and support.
