# **Description**

• Application: Bearing support for 34 mm drive shafts in greenhouse ventilation systems

• Material: Galvanized steel

• Installation height: 77 mm (from base to shaft center)

• Design: Straight mounting holes

• Bearing type: Bronze sintered ring - maintenance-free

• Ridder Article No.: 503095

The Slide bearing plate B077 L107 is designed for slightly elevated shaft positions. Its bronze bearing ring provides a durable, low-friction solution that eliminates the need for grease or oil.
