

Overview

Retainer clip tube for Screenprofile

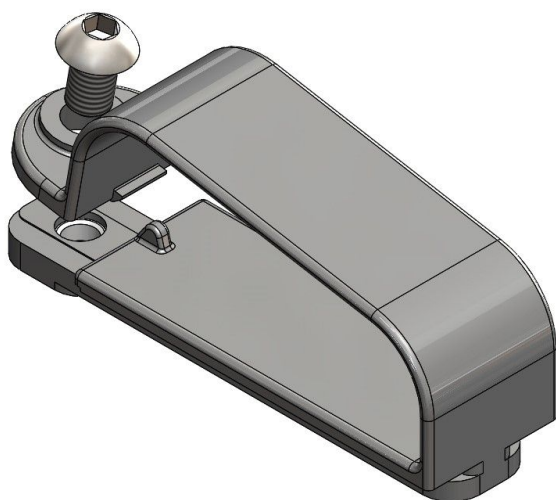

Product number: 03100503-1

Options

PU (Pcs)

1

500

Description

The retainer clip is used as a protective element for cloth overhangs in lay flat shadings systems. Clip profile goes through it without touching the cloth. The retainer can quickly and easily be inserted and screwed into the channel of the screen profile.

Created at 20.05.2024.
