

Overview

Sealing bracket fits 2 mm inox wire - PU = 100 pcs

Product number: 25100100

Description

- **Application:** Sealing fabric panels in suspended shading systems
- **Installation:** Mounted on support wires – next fabric panel held via cord
- **Suitable for:** Stainless steel wire (VA) with 2 mm diameter
- **Material:** Stainless steel (Inox)
- **Packing unit:** 100 pieces
- **Features:**
 - Also suitable for laid-out systems
 - Corrosion-resistant and long-lasting

Inox Sealing brackets provide reliable sealing of fabric panels in suspended shading systems. They mount directly onto support wires and use a cord to hold the next fabric panel. Also applicable in laid-out systems, their stainless steel design ensures long-term durability and resistance to moisture and corrosion.
