Description

- **Application:** General-purpose fastening in shading and ventilation assemblies
- **Material:** Zinc-plated steel for enhanced corrosion protection
- **Size:** M6 x 75 mm
- **Installation:** Ideal with M6 nut to secure Table Clamp H 60 to screen profiles
- **Feature:** T-bolt head enables quick and secure installation
- **Packaging Unit:** 50 pcs

T-Bolt M6 x 75 is purpose-built for use in greenhouse shading and ventilation systems. The zinc-plated finish provides excellent resistance to corrosion in tough environments.

Its T-shaped head offers a quick-locking fit and is commonly used in combination with an M6 nut to attach the Table Clamp H 60 securely to screen profiles. The 75 mm length delivers extra holding force for heavier-duty applications.
