Description

- **Application:** Mounting clamp pieces to screen profiles in shading and ventilation systems
- **Material:** Zinc-plated steel for high corrosion resistance
- **Thread:** M6 x 40 mm
- **Installation:** Easy fastening with M6 nut
- **Packaging Unit:** 100 pcs

T-Bolt M6 x 40 zinc-plated is a universal fastener designed to secure clamp pieces to screen profiles in greenhouse shading and ventilation systems. Made from corrosion-resistant zinc-plated steel, it ensures reliable long-term use in demanding environments.

With an M6 thread and 40 mm shaft, this T-bolt pairs easily with a standard M6 nut, creating a strong and dependable connection. Supplied in units of 100, suitable for both compact and large-scale projects.
