Description

- **Product:** Tomato-cucumber clip 22 mm
- **Color:** Terracotta
- **Packaging unit:** 1,000 pieces
- **Application area:** Greenhouses, vegetable cultivation
- **Material:** High-quality plastic
- **Function:** Secure support for tomato and cucumber plants on stakes and strings
- **Advantages:** Easy to use, durable

The **Tomato-cucumber clip 22 mm terracotta** is a practical solution for securely fastening tomato and cucumber plants to stakes and strings. Made from high-quality plastic, it provides reliable support for plants without causing damage.

Thanks to its sturdy design, the clip protects plants from mechanical stress and ensures optimal support for healthy growth. With a packaging unit of **1,000 pieces**, the tomato-cucumber clip is ideal for professional use.

Its easy handling allows for quick attachment, helping to streamline work processes. An essential tool for gardeners and farmers who value quality and efficiency.
