

Overview

Table clamp 27.40

Product number: 03100224-1

Options

PU (Pcs)

Description

- **Application area:** Connecting 27 mm push rods with 19 mm pipes or screen profiles
- **Material:** Steel
- **Special feature:** Suitable for constructions with narrow fabric spacing

The **Table clamp 27.40** connects **27 mm push rods** with **19 mm pipes** or screen profiles that guide the fabric. It is particularly suitable for constructions with narrow fabric spacing where lightweight shading fabric is used.
