Description

- **Application:** Drive unit for 22 mm rack systems in greenhouse ventilation
- **Material:** Steel housing with plastic bearing ring
- **Design:** Counter rollers for smooth and gentle rack guidance
- **Compatibility:** For 22-3 racks and 34 mm steel drive tubes
- **Use case:** Ideal for lightweight ventilation systems
- **Ridder Article No.:** 500019

The **Pinion Housing TU6-22** is a compact drive unit for 22 mm rack systems. Its counter rollers ensure gentle rack guidance, reducing wear. The plastic bearing makes it ideal for simple, lightweight greenhouse ventilation applications.

All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
