Description

- **Product:** Mulching paper
- **Weight:** 80 g/m²
- **Width:** 135 cm
- **Length:** 400 m
- **Application area:** Eco-friendly weed control for crops
- **Material:** Biodegradable natural product
- **Function:** Weed suppression, keeps crops clean
- **Advantages:** Water- and air-permeable, compostable, sustainable alternative to plastic films

Mulching paper is an environmentally friendly solution for weed suppression in agricultural and horticultural crops. It protects plants by inhibiting weed growth while ensuring optimal air and water permeability.
