Description

- **Application:** Weed control with increased light reflection
- **Dimensions:** 207 cm × 100 m
- **Material:** PP ribbon fabric, white with black 25 cm grid lines
- **Features:** Reflects light, reduces heat buildup, UV-stabilized (500 kly)
- **Packaging unit:** 1 roll

The **Aquatex ground cover - 100 - 207 cm × 100 m - white** reflects light to enhance plant growth and keeps surfaces cooler than black fabric. Ideal for greenhouses and light-sensitive crops. *Currently not in stock — available on request.*
