

## Overview

# EcoScreen 17 OPEN - 5,30 m

**Product number:** 19008353

### Options

#### Width (cm):

325

430

530

## Description

- **Application:** Open, durable knitted shading fabric for greenhouses with effective air exchange
- **Material:** Acrylic yarns for reliable moisture transfer
- **Shading Rate:** Approx. 76%
- **Energy Savings:** Approx. 20%
- **Width:** 530 cm

**EcoScreen 17 OPEN - 530 cm** offers the same performance as the 430 cm version with wider coverage. It supports a balanced greenhouse environment by combining high shading capacity with consistent air movement—even when the screen operates without ventilation spacing.

The use of acrylic yarns promotes reliable humidity management, making it an ideal choice for laid screen configurations in professional horticulture.

**Note:** Price applies to fabric only. Any requested finishing will be quoted separately.
