

Overview

Ventilation clamp ø 27 mm PU = 150 pcs

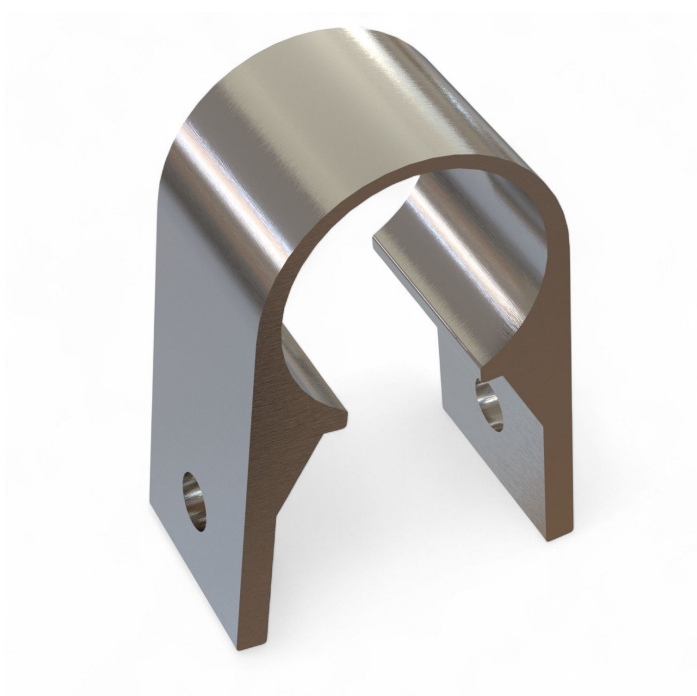

Product number: 03200400-1

Options

PU (Pcs)

1

150

Description

- **Application area:** Connection between fabric guide and push rod in shading systems
- **Material:** Aluminum for high stability and corrosion resistance
- **Installation:** Mounting point for ventilation actuators on 27 mm steel pipe

The **Ventilation clamp ø 27 mm PU = 150 pcs** is an essential component for shading systems. It serves as a connection between the fabric guide and the push rod, ensuring stable fastening.

Thanks to its high-quality aluminum construction, the clamping piece offers excellent stability and corrosion resistance, making it ideal for long-term use in professional greenhouse installations.

Its straightforward installation allows for quick setup, while the robust design ensures reliable performance.
