Description

- **Application:** High-performance shade fabric for wide greenhouse installations
- **Material:** Acrylic/aluminum composite fiber
- **Shading Rate:** Approx.68%
- **Width:** 450 cm
- **Color:** Alu-grey
- **Mounting:** S-hook compatible – no sewing required
- **Special Features:**
  - Effective thermal barrier from direct sun
  - Regulates interior moisture levels
  - Made in Germany for professional use

FFS 4/4 alu-grey – 450 cm is your go-to fabric when full-span, consistent shading is the goal. Its light-dampening and air-balancing characteristics create a stable microclimate, minimizing stress for sensitive crops. Choose this version when durability, width, and visual neutrality matter most.
