

## Overview

# EcoScreen 60 FR white - 3,25 m

**Product number:** 19006032

### Options

#### Width (cm):

325

430

## Description

Reasonably priced shade net consisting of white and transparent strips can be used in suspended or lay flat shading systems. The white ribbons are translucent and allow a partial penetration of the sunlight, that plants need for photosynthesis.

Its open structure enables a good exchange of air in the greenhouse.

It is used for shading and energy saving purposes

light textile

With acrylic yarns that optimize the moisture exchange

Created at 20.05.2024.

\* Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
