Description

- **Application:** Mounting RW200, RW400, and RW600 gear motors in suspended shading systems
- **Material:** Hot-dip galvanized steel
- **Compatibility:** Square tube 50×50 mm
- **Mounting:** Square tubes are inserted directly onto the motor mount
- **Special feature:** Simplifies installation by eliminating the need to manually align the drive shaft

The **Motor Mount TGU S 400.600** is designed for suspended greenhouse shading systems. It ensures precise alignment of the drive shaft and allows for quick, tool-friendly installation. Built from galvanized steel for maximum durability.
