

## Overview

# PH 66 B FP with bands - 430 cm

Product number: 19166342

### Options

#### Width (cm):

335

430

## Description

- **Application:** Durable, closed energy screen fabric for greenhouses
- **Material:** Interwoven acrylic yarns for reliable moisture exchange
- **Width:** 430 cm
- **Shading Rate:** Approx. 65%
- **Energy Savings:** Approx. 63%
- **Feature:** Integrated bands allow direct attachment with S-hooks

**PH 66B FP - 430 cm** is a closed energy screen fabric providing a shading effect of 65% and energy savings of 63%. It supports humidity regulation through interwoven acrylic yarns and contributes to balanced climate conditions in the greenhouse.

The integrated bands allow simple and direct S-hook installation. It is also available with pre-attached hooks upon request.

**Note:** Price applies to base fabric only. Additional costs may occur for cutting or tailoring services.
