Description

- **Product:** Hose Clamp R19
- **Packaging Unit:** 1000 pcs
- **Application:** Secure fixing of irrigation hoses
- **Material:** High-quality plastic for gentle hose clamping
- **Function:** Strong grip without damaging the hose
- **Installation:** Easy mounting with pliers
- **Advantages:** Durable, flexible, user-friendly

Hose Clamp R19 is designed specifically for **safe and gentle fastening of irrigation hoses**. Its durable plastic body prevents damage to the hose while providing a strong, secure hold.

Installation is quick and efficient using pliers—ideal for horticultural, gardening, or agricultural use.

With a bulk unit of **1000 pieces**, the clamp is well suited for large-scale and professional applications requiring reliable hose management.
