Overview

## Cable pulley 75/8

**Product number:** 04300097-1

Options		
PU		
1		
Box		
DOX		
Version:		
Ball bearing		
Plain bearing		

## Description

Due to the extra wide plain bearing, the 75 mm pulley is guided particularly safely on the axle and has a high stability under shear loads.

Together with the plain bearing, the pulley is made of 100 % plastic and is therefore completely protected against corrosion and other environmental influences.

Created at 19.05.2024.

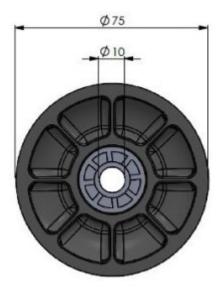

<sup>\*</sup> Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
