

## Overview

# Offset bearing 1" - 50/50 - PU = 25 pcs

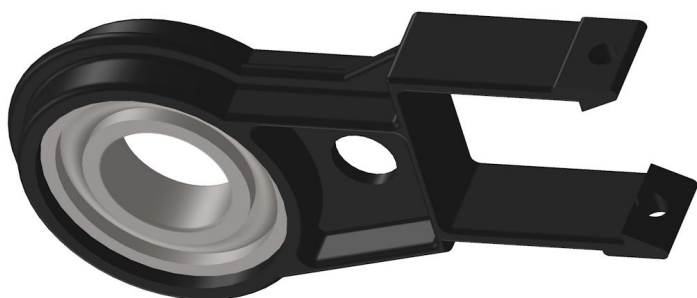

**Product number:** 21050050

### Options

#### PU (Pcs)

1

25

## Description

This offset bearing has been developed for suspended shading systems with gable end drive. It brings the drive shaft to an optimal position and as a support point enables its rotation. The product has been built to hold trailing load.

Material: High impact resistant plastic

Created at 20.05.2024.

\* Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
