Overview

EcoScreen 15 OPEN - 3,25 m

Product number: 19008132

Options Width (cm): 325 430 530

Description

• Application: Open, durable knitted shading fabric for greenhouses

• Material: Acrylic yarns for reliable moisture exchange

• Shading Rate: Approx.53% • Energy Savings: Approx.20%

• Width: 325 cm

EcoScreen 15 OPEN - 325 cm is a long-lasting open knitted screen designed for effective climate moderation in greenhouse environments. The breathable construction allows consistent air exchange, even when installed without ventilation gaps.

High-grade acrylic fibers promote dependable humidity transfer, making this fabric especially suitable for laid shading systems. It offers a well-balanced combination of energy savings and daylight permeability.

Note: Price is for unprocessed fabric only. Additional charges may apply for cutting or finishing services.
