

Overview

Square tube connector 50x50

Product number: 38020641

Description

A functional square tube connector. Thanks to its easy -to- handle stick-system there is no need to weld square tubes. This component provides higher stability, quicker mounting and accuracy in alignment of square tubes in comparison with conventional welding.

These square tube connectors are exclusively developed to be used with TGU-square tubes.

Created at 25.06.2025.

* Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
