

Overview

Mounting bracket square tube 50 x50 on I beams + angles - PU = 20 pcs

Product number: 38020643

Description

The stable solution for fastening square tubes to double IP carriers. With the flange set, the pipes can be attached to the IP carriers without welding. This makes assembly easier and improves stability.

Created at 24.06.2025.

* Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
