Description

- **Product:** Nail washer 6 cm
- **Packaging unit:** 200 pieces
- **Application area:** Securing ground cover on rocky and firm soil
- **Material:** Durable plastic
- **Function:** Secure hold for ground cover in combination with nails (7/210 mm)
- **Advantages:** High stability, easy to use

The **Nail washer 6 cm** is a reliable solution for securely fastening ground cover, especially on rocky and firm soil. It is used in combination with nails (7/210 mm) to ensure stable fixation.

Thanks to its durable plastic material, the nail washer offers high resistance and ensures long-lasting anchoring.

Its easy handling allows for quick and efficient application, helping to optimize work processes. An essential tool for gardeners and landscapers who value stable ground fixation.
