Description

- **Application:** Attaching fabric to screen profiles and wires in shading systems
- **Material:** High-quality plastic, gentle on fabric
- **Color:** Black
- **Packaging Unit:** 100 pcs

Knippies 22.3.3 are designed for **secure and fabric-friendly fastening** to screen profiles and wires in greenhouse shading systems. Their plastic construction ensures gentle handling of the fabric while providing reliable grip.

They're also versatile outside shading setups—for attaching various materials to wires or thin metal sheets.
