Description

- **Application:** Bearing support for 34 mm drive shafts in greenhouse ventilation systems
- **Material:** Galvanized steel
- **Installation height:** 178 mm (from base to shaft center)
- **Design:** Straight mounting holes
- **Bearing type:** Bronze sintered ring – maintenance-free
- **Ridder Article No.:** 503139

The **Slide bearing plate B178 L208** is ideal for shaft installations requiring higher elevation. It offers a corrosion-resistant, maintenance-free bearing solution for greenhouse drive systems under heavy load.
