Description

- **Application:** Connection of drive cable to 19 mm tube in shading systems
- **Material:** Plastic
- **Installation:** Clamping the wire rope with an Allen screw – clip attachment to the pipe
- **Packaging Unit:** 500 pcs

Lead edge cable clip S 19 mm enables a firm connection between the drive cable and the 19 mm tube in shading systems. For installation, an **M4x16 ISK screw** is required, which is not included.
