Description

- **Application:** Ideal for cutting textiles held in the hand during use
- **Material:** High-quality metal construction ensures precision
- **Installation:** Easily mounts on the Engel Hot Cutter
- **Highlight:** Seals the fabric edges to prevent fraying

The **HSS Cutting Tip** is a practical extension for the Engel Hot Cutter, tailored for cutting textiles held in the hand while working. It attaches quickly and delivers precise cutting control.

Its solid metal build delivers clean, sealed edges that prevent the fabric from fraying during or after cutting.
