## Description

- **Application:** Cover film for irrigation mats
- **Dimensions:** 30 cm × 50 m
- **Material:** Lightproof, perforated film
- **Packaging unit:** 1 roll

**Aquaplus** is a lightproof, perforated film for covering irrigation mats. It prevents algae formation and ensures clean irrigation. The perforation allows water to pass through to the mat. The film is easy to cut and can be laid precisely. The 30 cm width is ideal for narrow tables or edge zones.
