Description

- **Application:** Cutting wire ropes and wires
- **Material:** Hardened steel for precise cutting performance
- **Handle:** Plastic-coated, pressed steel sheet for a firm grip
- **Feature:** Triangular cut for clean cuts without crushing

The **Felco C7 wire rope cutter** is a one-handed tool designed for cutting wire ropes and wires. The triangular cut ensures clean cuts without crushing.

The blades and bolts are made of hardened steel, supporting precise cutting performance. The plastic-coated handles made of pressed steel sheet provide a secure grip.
