Description

- **Product:** Climatex 60 g
- **Width:** 320 cm
- **Length:** 100 m
- **Application area:** Frost protection for plants and crops
- **Material:** Light-permeable, breathable fleece
- **Function:** Protection against cold and weather conditions
- **Advantages:** Lightweight, flexible, easy to handle

Climatex 60 g is a high-quality cover fleece that reliably protects plants and crops from frost. Its light-permeable structure ensures that plants continue to receive sufficient light.

Thanks to its breathable properties, it creates optimal conditions for overwintering and protects against sudden temperature fluctuations.

With a width of **320 cm** and a length of **100 m**, it is ideal for professional use in nurseries and agricultural operations.
