

Overview

Aircraft cable INOX 1X19 1 mm - 1000 m

Product number: 40110008

Description

- Application: Drive cable for greenhouse shading systems
- Construction: 1×19 strands
- Diameter: 1 mm • Length: 1000 m
- Material: Stainless steel (INOX)
- Features: High tensile strength, rustproof, ideal for outdoor use

The Aircraft cable INOX 1×19 - Ø1 mm - 1000 m is a stainless steel drive cable for greenhouse shading systems. Its 1×19 construction offers high tensile strength and minimal stretch, making it ideal for precise, longlasting installations.
