Description

- **Application:** Outdoor shading for long-term installations
- **Width:** 430 cm
- **Length:** 200 m
- **Weight:** 130 g/m²
- **Shading Rate:** Approx. 65%
- **Features:**
 - Reflective aluminum strips minimize direct solar exposure
 - Open knitted structure allows for air circulation and thermal balance

EcoScreen ES60 outdoor open - 430 cm is a knitted fabric engineered for exterior shading applications. The combination of reflective elements and breathable mesh helps control sunlight while supporting natural airflow. With around 65% shading and excellent tensile strength, this material is ideal for durable, energy-efficient screening systems.

Note: Price applies to raw material only. Additional charges may apply for processing (e.g., cutting, sewing).

Product information

Shading:	65 %
Direct Light transmission:	35 %
Flame retardant (DIN 4102 B1):	No
UV Stabilization:	5 years (climate: Central Europe)
Weight (+/- 10%):	130 g/m ²
