## Description

Our TREVIRA is a very robust flame retardant according German B1 and French M1 norms shading fabric. Thanks to its very dense interweaving this fabric is wear resistant and durable. The fabric can be suspended without further assembly S-hooks. We advise to cut it with hot knife and afterwards hem edges.

Shading rate appr. 60 %

Made in Germany

**Note:**  
Further processing such as cutting and sewing is not included the price.
