Description

- **Application:** Fastening polyester wires to lattice girders in shading systems
- **Material:** High-grade stainless steel for maximum durability
- **Feature:** Side-mounted design, available in various heights
- **Packing unit:** 1,000 pieces

Inox Binder Clips 20 mm are designed for the **secure attachment** of polyester wires to lattice girders in greenhouse shading systems. Their stainless steel construction ensures excellent resistance and long service life.

The side-mounted design and availability in multiple heights allow flexible adaptation to different structural requirements.
