

## Overview

# Roll support universal for 27+32 tubes

**Product number:** 03200040

## Description

The roll support universal works as a bearing for push pull tubes for truss-ventilations in all kinds of greenhouses.

It is attached to the greenhouse construction with a M8-bolt.

The replaceable diabolo rolls enable a flexible positioning of tubes of different sizes.

Created at 19.05.2024.

\* Our offers are directed exclusively to companies. We do not conclude contracts with consumers. All prices excl. VAT plus shipping costs and possible delivery charges, if not stated otherwise.
