Description

- **Application:** Lift belt guidance roller for 20 mm belts
- **Material:** High-quality plastic for long-term use
- **Function:** Ensures precise and even belt movement

Diaboloroll for 42 mm Tube - Black is specifically engineered for guiding 20 mm lift belts. It supports smooth and uniform motion while preventing belt misalignment or jamming.

Its durable plastic construction ensures high resistance and long service life—ideal for continuous operation in demanding setups.
