

Overview

Guide roller for 20 mm lifting belts

Product number: 04200120

Image

Description

- **Application:** Guide roller for 20 mm lifting belts
- **Material:** High-quality plastic for long-lasting use
- **Function:** Precise guiding of the lifting belt for smooth movement

The **guide roller for 20 mm lifting belts** is specially designed for guiding lifting belts. It ensures smooth movement and prevents the belt from slipping or jamming.

Thanks to the high-quality plastic material, the roller offers high resistance and durability, making it ideal for long-term use.
