Description

- **Application:** Cover film for irrigation mats on plant tables
- **Dimensions:** 50 cm × 50 m
- **Material:** Lightproof, perforated film
- **Packaging unit:** 1 roll

Aquaplus is a lightproof, perforated film for covering irrigation mats. It prevents algae formation and ensures clean irrigation. The perforation allows water to pass through to the mat. The film is easy to cut and can be laid precisely. The 50 cm width is ideal for narrow tables or edge zones.
