Description

- **Application:** Complete drive unit for roll-up screens and side ventilation systems
- **Weight:** 15 kg counterweight
- **System type:** Tower Roller Plus
- **Features:** Compact design (80 mm depth), integrated cable guide, enclosed counterweight
- **Compatibility:** Suitable for all common motors - counterweight is matched accordingly

The **Tower Roller Plus Set - 15 kg** is a complete drive unit for medium to large roll-up screens, side ventilation systems, and partitioning curtains. It features a compact design, integrated cable routing with energy chain, and a fully enclosed counterweight for enhanced safety. Built for durability and minimal maintenance.
