

## Overview

# Grease waterproof 400 g - PU = 24 pcs

**Product number:** 95206000

## Description

Professional rack grease for maintenance of racks in ventilation and shading systems in greenhouses. Annual greasing ensures long-term, trouble-free operation of the rack drives.

The grease can be applied to the racks with a brush.

The grease comes in a cartridge and is compatible with 400 g-grease guns.
