## Description

- **Application:** Push rod bearing for ridge ventilation in greenhouses with lattice girders
- **Material:** Aluminum housing with plastic diabolo rollers
- **Compatibility:** Suitable for lattice girders with 80 x 40 mm flanges
- **Feature:** Diabolo rollers adjustable for 27 mm and 32 mm pipe diameters
- **Packaging Unit:** 32 pieces

The **Roll support for push-pull tubes 80 x 40 mm** supports push rods in ventilation systems built into greenhouse lattice girders. It simply mounts onto girders with 80 x 40 mm dimensions and provides smooth guidance for rod movement.

The rollers can be adjusted to suit pipe diameters of 27 mm and 32 mm, offering flexibility during installation and operation.
